

## **Flatwater Lake Homeowners Association, Inc.**

### **Rules and Regulations of the Flatwater Lake Development Subdivision**

All Flatwater Lake Homeowners Association, Inc. (“Association”) members, owners, residents or occupiers of the Subdivision (or any new re-plats thereof) are responsible for ensuring that they and their guests understand and abide by the Rules and Regulations of the Flatwater Lake Development Subdivision. The Subdivision includes the following property: See Exhibit “A” attached hereto and incorporated herein by this reference.

### **Disregard for and abuse of these Rules and Regulations are grounds for suspension of privileges to use the lake or any other common facility.**

These rules and regulations are designed to give Lot owners, including all Townhome Unit owners, a common understanding for expected behavior and to help maintain a safe environment for all owners and guests. There will be times when an owner is exhibiting poor judgment and placing themselves or other owners, guests and families at risk of harm and yet not actually breaking any specific rule(s). Additionally, owners, from time to time, may break a rule without risk of harming anyone or causing problems to other owners. The Association’s Board of Directors and all owners should take into account, when reporting infraction(s), whether infractions truly exhibit negligent behavior or are a technical violation of the rules and regulations. Additionally, it is assumed that owners will try to directly communicate observed violations and resolve minor grievances with other owners before taking these grievances to the Association Board of Directors.

The Association, or individuals acting under the authority of the Association, is not liable for any damages and/or injuries sustained while guests or residents are using the Association facilities or on Association property. Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms in the Subdivision’s Declaration filed on May 8, 2020 and the Amended and Restated Declaration of Covenants dated September 21, 2021, or in the Association’s Bylaws dated June 15, 2020 or September 23, 2021.

If a member of the Association wishes to report an observed violation of these Rules and Regulations, a written complaint should be filed with the Board of Directors. This written complaint may be shared with others in the Association. The complaint should include:

1. The date and time of the violation.
2. The nature of the violation.
3. The lot number and/or name of the violator, if known.

I. Guests and Safety

All owners and any other person or entity using or entering the Subdivision, including lessees and other persons in the Subdivision through the acts or omissions of an owner, shall be responsible for taking reasonable steps to ensure the safety of all owners and guests. Any condition or obstruction within the Subdivision that may pose a risk of safety to the owners or their guests shall be reported to the Association's Board of Directors immediately. Furthermore, each owner shall take reasonable steps to warn or otherwise abate the condition or obstruction until the Board of Directors has had time to address the situation. **All owners are required to obtain an umbrella liability policy with coverage of at least one million dollars (\$1,000,000) naming the Association, the Declarant, Hampton Development Services, Inc., and their officers and directors as additional insureds.**

All watercraft, motorized vehicles, or ATVs operating on the lake or any area within the Subdivision must comply with all applicable laws, Regulations, ordinances, and these Rules and Regulations and must be registered with the Association. **See Supplemental Rules from HOA for a detailed list of watercraft rules.**
3. Should any owner or owner's immediate family member, guest, lessee, or invitee, permit, authorize, or participate in any way in the violation of these Rules and Regulations, this may be grounds for revocation of the owner's rights and privileges to use the lake or any common facilities. In addition, privileges may be revoked until the set charge or fine has been paid and until a written application for reinstatement has been made to and approved by the Board of Directors of the Association. The Board of Directors shall issue fines and other punishments for any rule violations in their sole discretion and in the furtherance of the goals of the Subdivision and the enjoyment and safety of all. Punishments may include warnings, fines, reprimands, loss of lake privileges, and for repeated and severe violations, revocation of a dock easement. Parties other than owners may be punished in any manner deemed appropriate by the Board of Directors, including temporary or complete revocation of all right to use or occupy

Motorized vehicles traveling on Flatwater Lake Development Subdivision need to be aware that non-motorized forms of travel (walkers, runners, bikers, roller-bladers, etc.) utilize the roads and common areas day and night. Those operating motorized vehicles should be courteous and ever vigilant of these folks on the Property.
9. Headlights and taillights must be operational after dark on all motorized vehicles. Discretion should be used when operating these vehicles at night. Those operating motorized vehicles after dark should be courteous and make sure they are operating their vehicles in the safest and quietest manner possible.

The number of votes which each Lot owner is entitled to is as set forth in the Declaration and the Association's Articles of Incorporation. These Rules and Regulations may also be changed or amended by a majority vote of the Association's Board of Directors.
